

Name: M INDU

Course: BTECH IN CSE

Date: 07/11/2025

# STUDENT GOAL SETTING

## REFLECTION ON THE PREVIOUS YEAR

### Accomplishments

I have completed my target of getting good marks in my studies. I have got good rank in KCET examination.

### Areas for improvement

I should learn java programming. I must actively participate in sports.

## GOALS FOR THIS YEAR

### Short-term goals

I have to successfully learn java programming in this semester. I must achieve a prize in sports.

### Long-term goals

I must study all programming languages. I must get good marks and rank in GATE examination. I have to complete M.sc degree in very good university.

## STEPS & RESOURCES

### Action steps

I must refer library books. I need an online and offline coaching for GATE examination. I must have a good knowledge about programming languages.

### Resources & Support

I should have a good faculty support for learning programming languages and for preparing for GATE examination. Also, I will refer a good online platform for my coaching.
